How to calculate the price of your stay

Find your chosen arrival date in the seasonal pricing calendar above; its colour determines the price of your entire stay.

• For example if your arrival date corresponds to the Value pricing season and the remaining days of your holiday are in the Moderate pricing season, your stay will be charged at the Value pricing season.

Prices indicated in price grids below are per adult and based on 2 adults sharing the same room.

• If there are 2 adults, you multiply the price by 2.

What about the price for your kids?

- Kids under 3 years old are free (Hotel and Park ticket package).
- Kids between 3 and 11 years old pay the child price.
